Commissioner for Patents

Applicant's response filed 7/10/03 is incomplete. Applicant's amendment makes extensive changes to the claims and discusses the changes. However, applicant has not given any reasons why the currently, extensively amended claims are patentable over the outstanding rejection which employ references applied under 35 U.S.C. 103, obviousness. That is, for a response to be complete, applicant must give reasons why, in his opinion, the references relied upon in the rejection fail to suggest the invention either singly under 35 U.S.C 102 or taken as a whole, under 35 U.S.C 103, obviousness.

Since the reply appears to be bona fide, applicant is given a Time Period of One (1) Month from the mailing date of this notice, within which to supply the omission or correction in order to avoid abandonment. Extensions of this time period may be granted under 37CFR 1.136 (a).

Applicant is welcome to call the examiner with any questions he may have at

703-308-0650. The examiner can generally be reached on Monday-Friday 7:00am to 3:30 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor,

Milton Cano can be reached on 703-308-3959. The fax phone number for the organization where this application is assigned is (703) 872-9310 for regular communications and (703) 872-9311 for After Final communications.

Any inquiry of a general nature or relating to the status of this application should be directed to the receptionist whose telephone number is 703-308-0661.
